The cost to the RRWT of re-homing a dog varies from next-to-nothing to thousands of pounds, but the average cost to us is approximately £390. Being a registered charity, we are entirely dependent on the generosity of our supporters to enable us to continue our work.

We would welcome any contribution you may wish to give towards kennelling fees, feeding and veterinary expenses for Ridgebacks needing our help and we will request a donation if and when we are able to place a dog with you. Whilst, of course, we don't necessarily expect you to give what your adopted dog may have cost us, we hope you will be as generous as you can.

I/We enclose a donation of £..... *(Please make cheques payable to RRWT)*
